NOVEMBER-DECEMBER 2004

MID OHIO ORGANIZED DISC GOLF, GETTING A FACE LIFT!

Ideas, visions, insight. Just a few words to describe the work of Dave Stevens (second member of MOODGolf).

Dave "shows out" with his suggestions of a logo for the newest disc golf club in Ohio. The logo now featured on the newsletter will be the "Official" logo for the club. Well received by the already eight members, the logo will be reproduced on club tee shirts, vinyl stickers, and club discs in the very near future.

MOODGolf has planned a Halloween (In Upper Sandusky) tournament that will also be the initial kickoff of the membership drive. For \$25 new members will

receive a membership card, bag tag, custom tee shirt, custom vinyl sticker and discounts on disc purchases through Signs & Logos. (Compliments of Bruce & Pam Martin, Owners) We anticipate the complete package to be available by December 2004. During the kickoff we will be gathering information from all paid members as to acquire the correct shirt size and other pertinent information. A new member will receive a bag tag and a receipt for the purchase of the membership. This will ensure the remaining items to be honored to the respective member. During the initial membership drive, the membership will be

informed of the club officials. The President, (Ken Rollins) will appoint the first years officials, then an annual vote will take place following nominations in November of 2005. Elections will be held on December 13, 2005.

We are excited about the formation of MOODGolf and anticipate a great group of golfers that have the same vision...

MOODGOLF PLANS MORE FUND RAISERS

Local disc golfers will gather and play disc golf to help feed the less fortunate this Thanksgiving season. The first of many tournaments will be held on November 13, 2004 at the new Sawyer Ludwig Disc Golf Course. Organizers will be asking local players to join

them in helping others during the holiday season. A small entry fee of \$10 will go toward feeding local families this Thanksgiving. This is the first of other fund raisers that club officials are planning for the Marion area. Other ideas will include a Toys for Tots

promotion as well as a food bank drive in the month of January 2005. Watch for updated information of these and other events as they are planned. Information will be available at the course boards in Marion and Upper Disc Golf courses. Community Wellness!

FROM THE DESK OF MOODGOLF

- *Allen Koehler, Club Delegate, is hard at work on soliciting sponsors for the remaining holes at Sawyer Ludwig DGC. He has established a lead for G & R Tavern in Waldo. According to the conversation with the Co-Owner, interest is strong. MOODGolf will be preparing info packets with relevant materials for G & R and other potential sponsors. We will work hard to gain the needed finances to complete the 18 holes in Marion.*
